LET CHILDREN LIVE IN PEACE

SUPPORT CHILDREN AFFECTED BY WAR AND CONFLICT

TV-aksjonen NRK (The NRK Telethon) is Norway's largest fundraising campaign. 100 000 people walk from home to home all over Norway to collect money on **Sunday October 22nd.**

TV-aksjonen 2023 goes to Save the Children Norway (Redd Barna) and their important work to protect children affected by war and conflict. Children living in conflict or emergency situations are vulnerable to exploitation, abuse and violence.

Together we can give 100 000 children the opportunity to play, learn and live in peace.

The money raised will be distributed between projects in **Ukraine, Syria, Bangladesh, South Sudan, DR Congo and Norway.** In Norway, we will help children who have fled from war and conflict.
